

Meet Your Candidate

*Anthony Farnum*

I was born & raised in SW Virginia. I have been in real estate for approximately 12 years and currently work as Principal Broker of Matt Smith Realty. I love working with other agents as we together help guide our clients through some of the biggest financial transactions of their lives. I have just served a three year term as "Director" on the BTVAR Board. I also currently serve on the Bristol VA City Council and the BVU Board of Directors. In my spare time I love remodeling old houses and working as a landlord/property manager. I am married to my wife, Amanda, and we have two small children; Juliette & James.
