

Meet Your Candidate

Dustin Hughes

As a candidate for president of BTVAR, my goal is to propel the organization forward by embracing change, championing educational opportunities, and always putting our members first. I envision a future where our association is a catalyst for growth and innovation in the real estate industry of SWVA and NETN. By prioritizing cutting-edge education and providing our members with valuable resources, I aim to ensure that each member is well-equipped to thrive in an evolving market. My commitment is to be a pivotal tool in our members' tool belts, facilitating their success and driving the association toward a dynamic and prosperous future. I have never turned down an opportunity to serve for BTVAR, have never put business or personal needs above my commitment to BTVAR, and have always operated with the primary goal of, "What is in this for our members?" This is why I ask you to vote for me to be your BTVAR president for 2025.

Dustin is a licensed TN and VA REALTOR at Holston Realty and works as a team with the previous two-time BTVAR president, Michael Pruitt. A born and raised Southwest Virginia native, Dustin has a passion for Appalachian culture and Fair Housing laws. It is his belief that every person should be able to experience home ownership in our amazing and culturally diverse corner of the world. Dustin's resume consists of volunteering on seven committees annually for the past three years, serving as Secretary/Treasurer for 2024, being co-chair of the Leadership Development Committee in which we aim to create a Leadership Academy to cultivate future leadership in BTVAR, annually participating and volunteering in all Association events, as well as being Rookie Of The Year for 2023 and a consistent top producer.
